

## MaryArt Guided Drawing Art Classes at Newcastle Elementary School

Grades K-5. In this fun and exciting class Mary Watson will teach your children how to draw with her successful Guided Drawing Lessons. Students will learn to really see the world and then to draw what they see line by line. They are encouraged to begin developing their personal style and add their ideas to each lesson. Mary has a B.A. in Education from the University of Washington. This is her 20th year teaching drawing and her 7<sup>th</sup> year at Newcastle Elementary.

**Classes will be held on the school stage. When the stage is not available classes will be in the OT room across from the music room. Parents must come into the building to pick up their children.**
